

The Starzl Spotlight

October 2023

2024 Annual Meeting

2024 Starzl Network Annual Meeting, February 15-16, in Orlando, FL co-hosted with AdventHealth for Children. We look forward to returning to an in person annual meeting with everyone. Registration information coming soon!

Fall 2023 Meeting Highlights

In-Person Meeting

We had great collaborative discussion in Montreal earlier this month at our in-person Starzl Network meeting. Here, we heard updates on how far we have come over the past 5 years, where we are headed, and had engaging discussions on how the network can engage each center. Thank you to all members that joined us!

Virtual Meeting

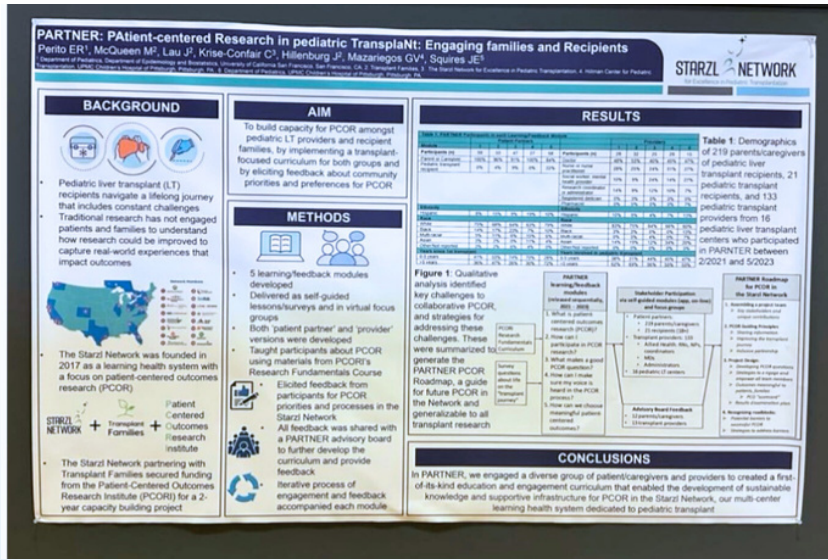

Thank you to all that joined our Fall Virtual Meeting this past Sunday. This meeting highlighted updates from many of our great work groups. This included updates from our Patient & Family Voice, Quality of Life, Immunosuppression, and Quality Improvement teams. We also really enjoyed a presentation from Emily Perito regarding Data Mart lessons learned practices that have worked best for UCSF. To watch Emily's presentation as well as all of the other discussions from our virtual meeting, please visit our Basecamp site [here!](#) If you need access, please reach out to C.J. or Lauren.

THANK YOU TO OUR 2023-2024 DISRUPTER LEVEL SUPPORTERS

The Starzl Network is grateful for the impactful support from Mirum and Ipsen! Their support allows us to further innovate together and improve the lives of pediatric transplant patients!

Poster Presentations

Our PARTNER team showcased their work regarding the importance of patient centered outcomes research at both the NASPGHAN and SPLIT conferences. Thank you all for your hard work!

Grant Updates

- ✿ PCORI Engagement Award - submitted - expect notice in early November
- ✿ R21/R33 Grant Submission AHRQ - in review
